

Year 2 Summer Curriculum Goals – Maths

Geometry (Position and Direction):

I can use mathematical vocabulary to describe position, direction and movement.

Geometry (Position and Direction):

I can order and arrange combinations of mathematical objects in patterns and sequences

Measurement (Time):

I can tell and write the time to five minutes, including quarter past/to the hour and draw the hands on a clock face to show these times.

Measurement (Time):

I know the number of minutes in an hour and the number of hours in a day.

Measurement (Time):

I can compare and sequence intervals of time.

Measurement (Mass, Capacity and Temperature):

I can choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm); mass (kg/g); temperature ($^{\circ}\text{C}$); capacity (litres/ml) to the nearest appropriate unit, using rulers, scales, thermometers and measuring vessels

Measurement (Mass, Capacity and Temperature):

I can compare and order lengths, mass, volume/capacity and record the results using $>$, $<$ and $=$
