Each week, we would like you to choose one of the main activities to complete – these can be done in any order at all.

1. This year the children will be learning how to log on and navigate around DB Primary. Could you support your child to learn how to log on properly with their user name and password? You can find the URL and log in details inside the front cover. Feel free to navigate through the portal and try out some excellent age related games.
2. Why not create a 3D model of your home using recyclables? This would be a great gateway to introduce what recycling is and its importance! Maybe you would also like to go out and pick up some litter from around your area?
3. Autumn hunt! Time to head outside for this activity and take a walk around your local park. Can the children begin to see the changes this season brings? Are they able to find any mini beasts? Conkers? Pine cones? Unique looking leaves? The children can write about their experiences, draw or stick in a photo of them out and about! Maybe try a sorting activity discussing similarities and differences.
4. This term is 'All about me' and we would love to hear more about your child! They could colour or create their own flag of where they are from. What languages do they speak at home? Are there any religious or special holidays and traditions they take part in? Can they draw a picture or
