

Year Five Curriculum News

Spring Term

Get ready to explore! This term, our topic is Tudor Explorers. We will be finding out all about different explorers and the adventures and explorations they undertook!

Literacy

We will be:

- Writing descriptions of characters and settings.
- Reading and creating
- Practising our handwriting skills
- Expanding our grammar knowledge
- Building our comprehension skills further.
- **At home you could:**
- Visit the library and find books about Tudor explorations.
- Practise handwriting by creating a diary.
- Continue to learn new spellings we have learnt in class so far
- Create your own poetry

Numeracy

We will be:

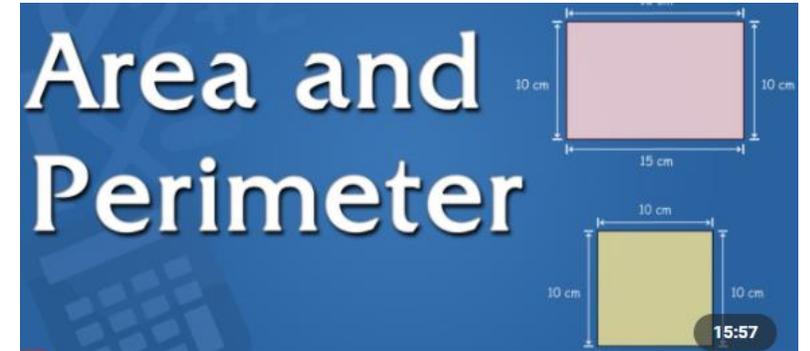

- Continuing to practice our times tables
- Measuring – continuing to look at area and perimeter
- Measuring and calculating perimeter of shapes.
- Statistics and data
- Understanding time
- Reflection of shapes

At home you could:

- Help your child to measure ingredients using appropriate units of measure.
- Solve everyday money problems and add and subtract change from grocery shopping

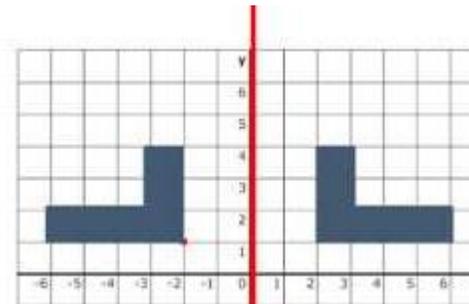

We will be understanding time and how we calculate it.

Our topics in Numeracy

Reflection of shapes – What does this mean?

Times Tables

x5	x6	x7	x8
1 x 5 = 5	1 x 6 = 6	1 x 7 = 7	1 x 8 = 8
2 x 5 = 10	2 x 6 = 12	2 x 7 = 14	2 x 8 = 16
3 x 5 = 15	3 x 6 = 18	3 x 7 = 21	3 x 8 = 24
4 x 5 = 20	4 x 6 = 24	4 x 7 = 28	4 x 8 = 32
5 x 5 = 25	5 x 6 = 30	5 x 7 = 35	5 x 8 = 40
6 x 5 = 30	6 x 6 = 36	6 x 7 = 42	6 x 8 = 48
7 x 5 = 35	7 x 6 = 42	7 x 7 = 49	7 x 8 = 56
8 x 5 = 40	8 x 6 = 48	8 x 7 = 56	8 x 8 = 64
9 x 5 = 45	9 x 6 = 54	9 x 7 = 63	9 x 8 = 72
10 x 5 = 50	10 x 6 = 60	10 x 7 = 70	10 x 8 = 80
11 x 5 = 55	11 x 6 = 66	11 x 7 = 77	11 x 8 = 88
12 x 5 = 60	12 x 6 = 72	12 x 7 = 84	12 x 8 = 96
x9	x10	x11	x12
1 x 9 = 9	1 x 10 = 10	1 x 11 = 11	1 x 12 = 12
2 x 9 = 18	2 x 10 = 20	2 x 11 = 22	2 x 12 = 24
3 x 9 = 27	3 x 10 = 30	3 x 11 = 33	3 x 12 = 36
4 x 9 = 36	4 x 10 = 40	4 x 11 = 44	4 x 12 = 48
5 x 9 = 45	5 x 10 = 50	5 x 11 = 55	5 x 12 = 60
6 x 9 = 54	6 x 10 = 60	6 x 11 = 66	6 x 12 = 72
7 x 9 = 63	7 x 10 = 70	7 x 11 = 77	7 x 12 = 84
8 x 9 = 72	8 x 10 = 80	8 x 11 = 88	8 x 12 = 96
9 x 9 = 81	9 x 10 = 90	9 x 11 = 99	9 x 12 = 108
10 x 9 = 90	10 x 10 = 100	10 x 11 = 110	10 x 12 = 120
11 x 9 = 99	11 x 10 = 110	11 x 11 = 121	11 x 12 = 132
12 x 9 = 108	12 x 10 = 120	12 x 11 = 132	12 x 12 = 144

Science

We will be learning about:

- The Solar System and the different planets that exist in it.
- Learn about a range of constellations in the Solar System.

At home you could:

- Look at the planets in our solar system. How are they different? Which of them are the largest and which of them are the smallest?
- Look more into the length of a year on each planet.

ICT

We will be learning about:

- E-safety
- Making and editing our own videos.

At home you could:

- Work as a family to take, upload and edit your own photos and videos using a computer

Technology

We will be looking at preparing and making foods.

We will also be looking at how we can keep our bodies healthy through diet and exercise.

At home you could: Encourage your child to help out at meal times.

Geography

We will be learning about:

- UK and its location to other countries.
- Rivers and erosion – how what we do can affect our environment.

At home you could:

- Visit a river close to you and see if you can identify areas of erosion or man made interferences.

Art

We will be:

- Using our knowledge of artists to develop our own drawing skills.
- Create a self portrait.

At home you could:

- Create your own sketches of objects and people that are important to you.

Music

We will:

- Explore pop music – understand beat and pulse in songs.

At home you could:

- Practice singing the song from class.

French

- We will continue expanding our pronunciation of new vocabulary.
- We will be looking weather and transport in French.

At home you could:

- Visit the BBC Primary French website and explore all the fun and exciting resources it has to offer!

History

We will be learning about:

- Tudor explorers and what they did in their lifetimes.
- Understand how these explorers have impacted our own world.

At home you could:

- Carry out your own research via the internet or explore your own gardens!.

RE

- We will continue to expand our knowledge of what it means to be a Christian
- Look at Sikhism and begin to understand what it means to be Sikh.
- Prepare for Easter by learning more about what it means.

At home you could:

- Visit different places of worship and find out what makes them special.

PE

We will be building our fitness levels through outdoor athletics training in preparation for District sports and Sports Day. We will continue to strengthen our team work and collaborative skills.

At home you could:

- Ask your child to show you the balances and stretches they have learnt in school.
