

Year 6 Summer Curriculum Goals – Maths

Number (Statistics):

I can illustrate and name parts of circles, including radius, diameter and circumference and know that the diameter is twice the radius.

Number (Statistics):

I can interpret and construct pie charts and line graphs and use these to solve problems.

Number (Statistics):

I can calculate the mean as an average.

Geometry (Properties of Shape):

I can draw 2-D shapes using given dimensions and angles.

Geometry (Properties of Shape):

I can compare and classify geometric shapes based on their properties and sizes and find unknown angles in any triangles, quadrilaterals and regular polygons.

Geometry (Properties of Shape):

I can recognise angles where they meet at a point, are on a straight line, or are vertically opposite, and find missing angles.
