

**I am going  
to Nursery**

In September I will be going to nursery at St. Matthew's School.

I will wear my special nursery uniform, walk in through the gate and into the nursery classroom.

My new teachers will be waiting  
for me with big smiles on their  
faces.

Class Teacher

**Mrs Connolly**

Nursery Nurse

**Mrs Penson**

Learning Support

I will be able to choose what I want to play with. I'm looking forward to meeting lots of new friends at nursery.

We play inside and outside at nursery. There are lots of things to try and my teachers are always thinking of new things for us to do.

I will use different toilets at nursery. They are smaller than the toilet at home - just the right size for me! If I need help I can ask my teachers and they will help me.

Sometimes we will all sit on the carpet together. My teachers will play fun games, sing songs and read stories with us. It will be brilliant!

If I am hungry or thirsty I can go to the fruit and milk table. I can help myself to a piece of

fruit, pour some water into a cup or have a carton of milk. If I need help I can ask my teachers.

If I'm feeling poorly my teachers will take me to the medical room to see Mrs. Winter. She will make sure I am okay.

I will have a wonderful time at nursery. I can't wait to learn and play with my new teachers and friends at school.
