

Year Five Curriculum News Autumn Term

Ancient Greece – This term we will be exploring lots about Ancient Greece and its Myths and Legends!

Addition

Subtraction

Literacy

We will be:

- Studying: Our new, wordless text called 'The Arrival' by Shaun Tan
- Writing letters.
- Describing settings followed by studying the different parts of a story
- Looking at information text:
- Reading and writing poetry.
- Completing a diary recount and a newspaper report.

At home you could:

- Encourage children to read, keep a diary, identify parts of a newspaper article. Children could also explain to someone at home what a simple and complex sentence is, and the different conjunctions and openers they could use when writing.

Numeracy

We will be:

- Identifying number and place value
- Completing addition and subtraction calculations as well as multiplication and division

At home you could:

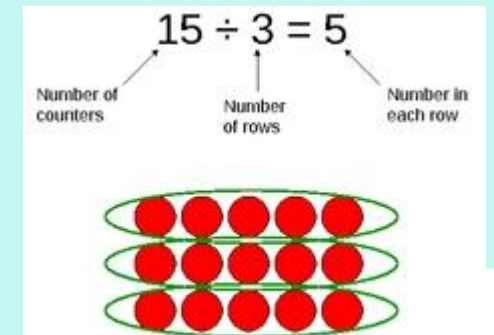

- Allow children to work out change at the shops. Find opportunities to measure things in ml, l, cm, mm, m, g, kg for example baking a cake, making a smoothie. Have them tell you the time, adding and subtracting minutes to see how they do.

Methods we use in Numeracy

Multiplication

$$\begin{array}{r}
 11 \\
 1342 \\
 \times \quad 3 \\
 \hline
 4026
 \end{array}$$

Division

Science

We will be learning about:

- States of matter
- Planets

At home you could:

Identify the different states of matter you can find at home (water, ice, etc.)

Do some research on planets and create a poster.

ICT

We will be learning about:

- E-safety
- Understanding and completing work online.
- Coding and Podcasts

At home you could:

Explore DB primary and TT Rockstars.
Send emails to classmates on DB primary.

DT

We will be:

Creating and designing our own Greek artefacts.

At home you could:

Research different Greek artefacts.

Geography

We will be learning about:

- Climate and location of Greece

At home you could:

Look at different regions within Greece and compare their climates and locations.

Art

We will be:

- Making our own paper mache Greek pots

At home you could:

Research and sketch pictures of different Greek artefacts and pottery.

Music

We will be learning all about rhythm and pitch within some amazing rock music. You could listen to some example (Livin' on a Prayer) and talk about them.

French

We will be:

- Greeting one another and talking about hobbies.
- Understanding simple phrases.

At home you could:

Visit the BBC French website

History

We will be learning about:

- Ancient Greece

At home you could:

Look up the wars that occurred in Ancient Greece. Who fought? Who won?

RE

We will be learning about:

- Stories from the Bible and miracles.

At home you could:

Look and research different stories from the Bible.

PE

We will be learning:

- Different fitness activities

At home you could:

Watch Joe Wick's PE lessons and complete different fitness activities.
