

# Year Three Curriculum News

## Autumn Term

Rocking Romans! This term our topic is the Ancient Romans. We are excited to learn about all the different parts of daily Roman life.

### Literacy

We will be:

- Reading: Gregory Cool
- Writing a diary entry from the perspective of Jemmy Button
- Describing settings followed by retelling the different parts of a story
- Developing setting and character descriptions.

At home you could:

- Encourage children to read, keep a diary, identify parts of their favourite story. Children could also explain to someone at home what nouns, adjectives, verbs and adverbs are, as well as explaining compound and simple sentences.

### Numeracy

We will be:

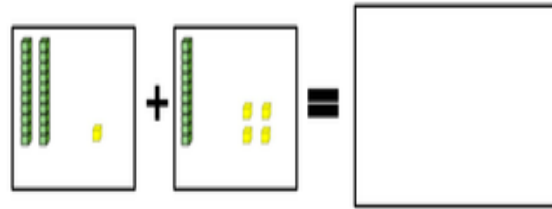

- Identifying number and place value
- Completing addition and subtraction calculations as well as multiplication and division

At home you could:

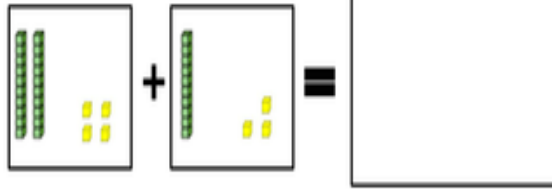

- Allow children to work out change at the shops. Find opportunities to measure things in ml, l, cm, mm, m, g, kg for example baking a cake, making a smoothie. Complete challenges at home using all Numeracy operations.

### Addition

$$21 + 14 =$$

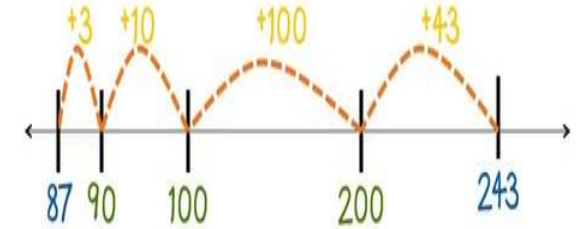

$$24 + 13 =$$

### Subtraction

$$243 - 87 =$$

## Methods we use in Numeracy

### Multiplication

$$1. 43 \times 5 =$$

x	40	3
5		

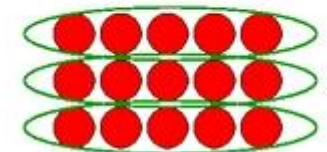

$$3. 53 \times 7 =$$

x	50	3
7		

### Division

$$15 \div 3 = 5$$

Number of counters      Number of rows      Number in each row

## Science

We will be learning about:

- Forces and Magnets
- Rocks

At home you could:

Play with moving toys and games and talk about the mechanisms  
Hunt for rocks and compare the differences between them

## ICT

We will be learning about:

- E-safety
- Understanding and completing work online.
- Creating a blog

At home you could:

Explore DB primary and TT Rockstars.  
Send emails to classmates on DB primary.

## Geography

We will be learning about:

- The UK and Italy and comparing them both

At home you could:

Look at maps to find each of these and research and compare the two countries.

## History

We will be learning about:

- Roman life.
- The impact of the Romans on Britain.

At home you could:

Read stories on the topic. Research Roman living.

## DT

We will be:

Making Roman Temples using newspaper.

At home you could:

Research different Roman structures.

## Art

We will be:

- Making our own Roman Mosaic picture

At home you could:

Research and sketch pictures of different mosaics.

## RE

We will be learning about:

- Stories from the Bible.

At home you could:

Look and research different stories from the Bible.

## Music

We will be making our own music, as well as developing our musical vocabulary and analyzing music and what we can hear.

## French

We will be:

- Focusing on numbers
- Greeting each other

At home you could:

Count items using French numbers.

## PE

We will be learning:

- Football and Dance

At home you could:

Practice football skills and choreography learned during lessons.
