

**SCHOOL IMPROVEMENT PLAN – ST MATTHEW’S CE PRIMARY SCHOOL 2025-26**

**Key Strategic Objectives for St Matthew’s CE Primary School**

**Strategic Objective 1: Strengthen teaching and learning for all groups of pupils**

*Action/strategy*

**Embed adaptive teaching strategies to meet the needs of all learners, with a focus on supporting the lowest 20% and pupils with complex SEND**

**Enhance Oracy and Writing development by promoting structured talk, improving sustained writing, and strengthening grammar, punctuation, pencil grip, handwriting, and spelling**

**Improve provision for EAL pupils and new arrivals through targeted support, induction programmes, and inclusive classroom practices**

**Strategic Objective 2: To develop digital literacy and online responsibility**

*Action/strategy*

**Implement the new Computing curriculum to ensure progression in digital skills from EYFS to Year 6**

**Provide high-quality CPD for staff to build confidence and competence in teaching computing effectively**

**Promote online safety through pupil workshops and parent engagement to develop responsible digital citizens**

### **Strategic Objective 3: Enrich cultural capital and character education**

#### *Action/strategy*

**Develop pupil leadership and acts of service through roles such as school council, eco-leaders, and community engagement, particularly in collaboration with the Church**

**Broaden access to enrichment opportunities including clubs, workshops, and experiences that build cultural capital such as Flourish Friday**

**Strengthen behaviour and personal development by embedding a consistent, values-led approach that supports positive choices and emotional wellbeing**
